

Czech Badminton Federation is looking for a coach for the position: „Head coach of the national team“.

Czech Badminton Federation, as a dynamically developing federation with many successes, is looking for a coach for the position of "**coach of the national adult team**". We are looking for a coach who, in cooperation with the committee of the sports section, will build on our previous successes and will further develop our top players.

www.czechbadminton.cz

Requirements

- Experience in a similar position in a national badminton federation.
- You have a sound knowledge of badminton on a high-performance sport level.
- You have national and/or international experience as an athlete and/or coach.
- You possess highest possible national/international badminton coach diploma.
- You are a leader, communicative, professional and focused.
- Skills for strategic and structured sports development.
- Confident use of common office software (MS Office).
- Above-average commitment, structured way of working, assertiveness, ability to work in a team.
- Good language skills in English.

Goals of the job / Main tasks

- You will be subordinate to the Sports Director (TMK).
- You are responsible for implementing the high-performance strategy and concepts as well as guidelines for (young) high performance sports. This includes in particular:
- Planning and implementation of daily training together with the coaching team at the national performance center in Pilsen.
- Coordination of the whole coaching team around the elite area.
- Coordination of specific training and athletic training with the athletic coach.
- Tournament planning for the players in the National Team and tournament accompaniment.
- Planning of tournament accompaniment for individual and team events.
- Creating discipline concepts.
- Conducting individual discussions with players in the National Team.
- Coordination with Head of Juniors & Junior coaches regarding content for National Team Junior courses.
- Coordination with the Head Coach Juniors regarding possible candidates for the elite squad.
- Assist in coach education and fulfill administrative tasks.

What we offer

- Working in a dynamically developing federation and working with top players.
- Regular monthly salary (will be the subject of discussion).
- Contract until 31.8.2028 with the possibility of extension.
- 5 weeks vacation.
- Free apartment rental in the city of the National training center in Pilsen.
